## SHARE THE TOUCH OF JESUS

The woman who had suffered hemorrhaging for twelve years touched the garment of Jesus thinking this might heal her. Jesus felt the power go out from Him and she was healed. The reading reminds us of the suffering in so many lives today and the importance of faith's healing power because Jesus is still here for us to touch!

Cursillo has been that touch of Jesus for so many where healing and strength has changed their lives forever. Let us remember that Christ is counting on us to bring Cursillo to others so they too may touch Him.

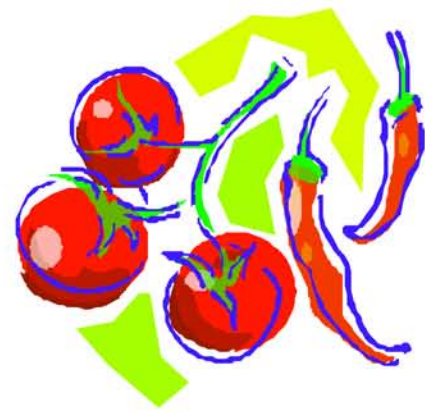

De Colores!

Deacon Scott

As the above meditation mentions, Cursillo has changed many lives for the better. The next Cursillo is June 21-24 at St. Patrick's Church in Urbana. A Rector has been chosen and is working on team formation. Please begin praying for the team and candidates, and also doing palanca for them.

It is also time to get applications turned in for the weekend... it's never too early!

**They must have at least 8 candidate applications turned in by May 10th in order for the meetings to start and the weekend to proceed.**
