MATTHEW 6: 1-8

Lent calls us "to quietly perform righteous deeds directed for the welfare of others, to pray intimately with our heavenly Father and to fast joyfully." (Ash Wednesday's Gospel reading)

St. Faustina quotes Jesus as saying "the three ways of exercising mercy towards one neighbor is by deed, by word and by prayer."

Cursillo teaches us to build our life in God's grace upon piety, study and apostolic action. It seems pretty clear how we are all called to grow in this life of grace. Bringing new people to the Cursillo weekend experience is a wonderful gift to those people.

God bless and keep you always.
