MEDITATION

BY

DEACON SCOTT WHITEHOUSE

How Great Thou Art is a beautiful song reminding us of God and all that is His; including you and me! Our three days with Christ in Cursillo is that perfect tool to solidly implant in our lives that we DO belong to God. AND a weekly group reunion is what helps us to stay focused on our owner. To all who gave of themselves to bring 9 men closer to Christ, your owner God is very happy!

Holy Family Radio, 95.7 FM has now been on the air for over 3 YEARS and is a great, 24/7 evangelization tool!

Holy Family Radio broadcasts EWTN. EWTN stands for the Eternal Word Television Network and has been broadcasting Catholic television and radio programming for over 30 years. Their programming includes basic Catholic teaching, masses, devotional prayers, special events, talk and much more.

Statistics show that 43% say Catholic Radio helped strengthen their marriage and 68% said Catholic Radio helped them better understand the teaching of the Catholic Church.

Our mission is to broadcast the good news of Jesus Christ in its fullness as preserved and proclaimed by the Catholic Church since the time of Christ, for the praise and glory of God. Also, to continue to share EWTN and the Catholic message with Champaign County and beyond as Mother Angelica envisioned.

Holy Family Catholic Radio needs the support of all the Champaign-Urbana Cursillo family. It takes approximately \$20,000 per year for expenses. In order to keep this service running, donations are needed. We still need \$10,000 to finish the year. Please consider sending your tax-deductible donation (make checks payable to: Trinity Educational Association) and send to:
