EASTERN AREA CURSILLO COMMUNITY **The 4th Day News**

Bringing people to Jesus

Jesus took Peter, James and John and led them up a high mountain apart by themselves. And He was transfigured before them. Then Elijah appeared to them along with Moses, and they were conversing with Jesus. A cloud came, casting a shadow over them. From the cloud came a voice, "This is my beloved Son. Listen to Him." Suddenly looking around, the disciples no longer saw anyone but Jesus alone with them.

I always read from the Gospel of Mark this passage at the 'candlelight' after the candidates and team process into Church. On Saturday of the recent men's cursillo the lighted candles seemed exceptionally bright and the candidates were in awe. And suddenly looking around they saw or maybe I should say felt only the presence of Jesus, They felt the lasting presence of Jesus in all of you who were present at the candlelight, the presence of all of you who prayed in the palanca Chapel and worked in the kitchen.

Unfortunately they, like Peter, James and John, and all of us had to come down the mountain to the world outside. The new cursillistas and all of us should remember that Jesus came down the mountain and continued his walk up another mountain called Calvary. All of us must remember that as we walk our path through our Christian life that Jesus is walking with each of us and always leading the way.
